

Linha Alerta is part of a combined project – awareness node and hotline service – called **Internet Segura**

and co-funded by the European Commission. The Internet Segura consortium consists of the following members:

- [FCT - Fundação para Ciência e a Tecnologia](#) ;
- [Direção-Geral do Ministério da Educação](#) ;
- [Fundação Portugal Telecom](#) ;
- [Microsoft Portugal](#) e
- [IPDJ - Instituto Português do Desporto e Juventude](#) .
- [APAV - Associação Portuguesa de Apoio à Vítima](#) .

With the integration of APAV as a new member of the Portuguese Safer Internet Centre's Consortium since January 2019 the Hotline is no longer managed by FCT|FCCN. APAV is now managing and operating the Hotline. For more information please see the updated contacts list.
